Adults only 14 +

With an excellent location at the Port de Sóller, the hotel Pure Salt Port de Sóller is right on the seafront at the Platja d'en Repic. The hotel provides a quiet holiday atmosphere for those looking for comfort and relax.

### *Location*

The hotel is located in Port de Sóller, a small picturesque coastal town on the northeast of Mallorca, with the Tramuntana mountain range as a background. Its secluded port, amazing scenery and classic tram, located just 400 metres from the hotel, make this the idyllic holiday retreat.

Palma airport is located just 37 minutes away by car. From the airport, take the motorway M-19 direction Palma, then take the exit 3 to the M-20 surrounding Palma and then exit 5A towards Sóller. Continue straight through all the roundabouts until you get into the tunnel. Once out of the tunnel, follow directions for Port Sóller. When prompted follow the route to En Repic, clearly signposted. Follow the road Passeig del Camp de Mar and Passeig de Sa Platja until you get to the seafront. The hotel will then be ahead of you as you turn left.
